Gettig made a motion to approve the special meeting minutes from January 21, 2016 as presented, will need to finish at the next meeting as Dillon is not available.

Public Comments:

Sgt. Douglas Clark spoke about incidents responded to in Marion Township over the year. Gettig mentioned that NVJPC will probably be requesting data about accidents at I99 and I80 interchange. Sgt. Clark requested a portable red light from Penn DOT for heavy traffic during football season. Sgt. Clark mentioned placing unmarked cars on Jacksonville Road to help with speeding.

Collin Alterio went over the Howard Fire Company year-end report.

Mark Ott spoke about the emergency service fee being reinstated, it has not been addressed since 2011. Ott thanked the township for putting information about the reflective house signs into the newsletter, mentioned that they need to be placed on the same side of the road that the house is on. Do not put them on your mailbox if your mailbox is across the road from you house. Ott also discussed billing insurance for accidents, he is going to research the matter and find some more information.

New Business:

Rogers Subdivision- Greg Shufran discussed the sewage planning module. **Gettig made a motion to approve the sewage planning module for the Tim and Gloria Rogers's subdivision, Chapman seconded and motion passed 2-0.** Tim Weight signed as zoning officer and Gettig signed the completeness checklist.

Shufran asked about the fee in lieu of ordinance and how much Rogers will owe. Gettig was not sure and said that he would have Emery find out and get back to Mr. Shufran with the information. After some research, Weight found that the fee in lieu of will be \$0 per ordinance # 64 as stated that the first two subdivisions are free. They will need a letter from the zoning officer that the plan meets the requirements.

Jerry McCloskey was presented with a plaque of appreciation for 25 years plus as EMC of Marion Township.
